Thank you for the information. I will pass it along to Bryan Mercier, RD and others. FYI, we (Bryan, facilities, and contracting) had a 2-hour discussion on the BIA campus area yesterday and are proactively working on several issues that obviously are in need of serious attention (jail, sewer/water line infrastructure, and others). I know that we are advertising for a new regional facilities dept. manager (John Langley, Great Plains, is only on loan to us for another month or so; he has been awesome). We should have some updates at the August meeting to share.

Thanks again for all of your efforts Wenona! They are much appreciated.

Hi Wenona,

You mentioned something this morning about a Bill 6030 that was being considered? Can you give me any more information on that?
